

Library & Information Services Online Program

Program and course descriptions: www.cccneb.edu/LIS

WHAT YOU WILL LEARN

- This certificate is designed to provide the student with a broad overview of the library profession.
- Introduces theories, concepts and activities integral to reference resources and services.
- Organization of library materials.
- Proactive collection management.
- Basic leadership and management skills.

THE PROGRAM

Students have two opportunities:

- Certificate Program that includes 18-hours of course work listed on the back of this brochure.
- An Associate of Arts Degree program that includes the hours earned for the certificate.

The final course in the Certificate Program involves the students gaining valuable experience in a supervised practicum in a library.

The Certificate and the Associates of Arts Degree can be completed online.

WHAT IS AN ASSOCIATE OF ARTS DEGREE?

Associate of Arts degree is a planned study which includes general education in the areas of:

- Communications and Humanities
- Math and Science
- Social and Behavioral Science
