Central Community College Foundation
Annual Report
1989-2014
25 Years and Going Strong
Mission:  
The Foundation advances opportunities for quality educational services in Nebraska-based institutions.

Vision:  
Improving quality of life; fulfilling one dream at a time.
25 Years and Going Strong

The Central Community College Foundation was established in 1989 as a separate 501(c)(3) nonprofit corporation. In March of 2014, we celebrated our 25th Anniversary. The growth over the past 25 years has made a difference in the lives of traditional and non-traditional students with scholarships awarded by the Foundation exceeding $1.8 million. The assets of the Foundation have exceeded $27 million during fiscal year 2014 with the addition of the Warren & Velda Wilson Foundation as a supporting organization of the CCC Foundation. Deferred and/or expected gifts are approaching $2 million.

Fiscal 2014 was a very strong year for the Foundation based on donor support with respect to our successful campaigns, events, planned giving, and strategic direction. The Legacy Society is building annually with our donors supporting Central Community College (CCC) and their commitment to education and career development.

This year’s theme is “25 Years and Going Strong” which signifies growth from our donors, our funds, scholarships, program support, and assets. The future looks strong for the continued support of CCC through scholarships and programs for our students.

Dean Moors

At Central Community College student success and access are at the core of our mission. We strive to assure that our students meet their learning objectives and educational goals in a friendly, supportive environment. CCC attempts to keep education affordable and within reach of all who desire it. In this endeavor the CCC Foundation plays a key role within our community, providing crucial financial support for students.

The CCC Foundation’s work advances our common goal of placing students first by assuring private support for high quality, low cost public education. The men and women who contribute their time, energy, and expertise to the Foundation’s Board of Directors deserve our special thanks. This talented board is a unified body whose commitment benefits all those who look to CCC to help fulfill their hopes and dreams. The members of the board set an example for others last year with 100% of them personally contributing funds to the Foundation.

As we strive to keep costs reasonable, the work of the CCC Foundation is increasingly important. Our dual challenge is to offer programs, facilities, and opportunities that enable a diverse array of men and women to improve their lives and their communities while making those opportunities as affordable as possible.

We can all be proud that thousands of men and women of all ages, from across our 25-county area and beyond, turn to CCC each year with high educational expectations. There is an implicit agreement entered into each time a student enrolls that CCC will provide learning environments conducive to success and that, in return, the student will invest the energy and effort necessary to achieve success.

This agreement is possible in large part due to support from individuals, businesses, and organizations dedicated to improving our overall quality of life through generous contributions to provide financial aid, programs, and facilities for our deserving students. I speak for all affiliated with CCC and the communities we serve when I express heartfelt gratitude to the numerous private donors listed in this report for their past benevolence. Thanks to you, we look forward to a continued relationship of mutual support for CCC’s current and future students.

**College Highlights 2012-2013**

- Total population in the 25 county service area, which spans 14,000 square miles, (2012 estimated census) was 305,513
- Courses (credit & non-credit) were offered in 90 communities
- More than 1,300 college credit courses and 120 non-credit vocational/recreational courses were offered
- CCC offered 34 career & technical areas
- Total of 23,464 (unduplicated) students were enrolled at CCC
- Number of students enrolled full-time at CCC was 2,978 (unduplicated)
- Approximately 75% of CCC students qualify for financial aid and the average student received approximately $4,124 in assistance.
When you donate to the Central Community College Foundation, you are doing far more than helping a student in need. You are helping our entire society and the economic footing of our communities. Without this assistance, many would be denied the advantages that education brings.

It is true that this education helps to transform individuals into responsible people. Though important, those things are just the obvious ones. Education greatly increases the prospect of happiness and a good standard of living. It also decreases the chance of becoming a statistic at the other end of the spectrum. Many of our drug, alcohol, theft, violence and gang related crimes are often associated with poverty and many times by those who have not been given the gift of an educational opportunity. Our country’s economic freedom is largely decided by our ability to keep a strong supply of young talent in our pipeline of productivity. They are the engines of our future successes.

It seems to me that we can either invest in our constituents today or find other means of supporting the ever expanding assistance programs that seldom address the root issues. We as responsible citizens need only to decide if we would like to address the issues on the front end by choice or the back end by obligation. The bottom line is that we either help to create responsible tax payers or be willing to assist them if we don’t.

It has been an honor to serve as the President of this Foundation for the past two years. I have been blessed to work with some of the finest people I have ever known.

Graduation Highlights

The following graduation information is from the 2011-2012 Employment Graduate Report:

- 2,026 career and technical awards (degrees, diplomas, and certificates) were granted
- 185 academic transfer degrees were granted
- 87% of those graduates were employed or continuing their education at CCC or other institutions
- 75% of the graduates who were employed full-time remained within CCC’s 25-county service area
- 98% of the graduates who were employed full-time remained in Nebraska
The Central Community College “Hall of Fame” was established by the CCC Foundation to honor individuals or couples who have demonstrated exceptional support for Central Community College and its mission over the years.

Criteria for selection is focused in three areas: philanthropy, service to Central Community College and/or Central Community College Foundation, and community service. Selection must meet the minimum criteria guidelines, but may be based on emphasis in one specific area.

**Lois Behlen**
Columbus, Nebraska
Inducted 1993

Strong supporter of Central Community College for more than 25 years. Mrs. Behlen was a leader of the CCC Foundation kick-off campaign.

**Ken Wortman**
Aurora, Nebraska
Inducted 1994

Instrumental in creation of the Central Community College system. He was a member of the CCC Board of Governors from its inception in 1966 until his death on August 20, 2004.

**Ken Torczon**
Columbus, Nebraska
Inducted 1995

Cited for his leadership in the formation of the Columbus Campus.

**Wuanita Butler & Butler Family**
Hastings, Nebraska
Inducted 1997

Recognized for early and continuing support for Central Community College and the CCC Foundation.

**Jim & Norma Merrick**
Grand Island, Nebraska
Inducted 1997

Honored for outstanding leadership in a successful capital improvement campaign on the Grand Island Campus.

**Dale & Dolores Watley**
Sioux Falls, South Dakota
Inducted 1998

Established a small business incubator loan fund to provide low interest loans through CCC’s Small Business Institute on the Hastings Campus to assist startup businesses.
In grateful recognition and appreciation for their ongoing support of Central Community College and the CCC Foundation, most notably through their ongoing commitment to the development and improvement of the Central Community College-Columbus Campus.

Ron & Carol Cope
Kearney, Nebraska
Inducted 2000

Honored for their support in development of the Central Community College-Kearney Center and establishment of the Ron and Carol Cope Foundation Scholarship Fund for CCC nursing students.

Bud & Rita Fleischer
Columbus, Nebraska
Inducted 2001

Cited for their long-standing support of Central Community College and the CCC Foundation, most notably through their ongoing commitment to the development and improvement of the Central Community College-Columbus Campus.

Dr. Joseph W. Preusser
Fairfield Bay, Arkansas
Inducted 2002

Honored for his 32 years of dedicated service to Central Community College, including 18 years as College President, and in grateful appreciation for his ongoing support of CCC students through the endowment of the Preusser Scholarship Fund with the CCC Foundation.

Dr. Jack & June Yost
Hastings, Nebraska
Inducted 2004

In grateful recognition and appreciation for their ongoing support of Central Community College and the establishment of the June Yost Nursing Scholarship Fund.

Ken Morrison
Hastings, Nebraska
Inducted 2006

In appreciation of his support of the allied health programs at Central Community College, including the establishment of the Ken Morrison Endowed Scholarship for students in health care related fields.

Jack Crowley
Hastings, Nebraska
Inducted 2008

In grateful recognition and appreciation for his support of Central Community College and his longtime leadership in the development and growth of the Central Community College Foundation.

S. N. (Bud) & Gloria Wolbach
Grand Island, Nebraska
Inducted 2011

In recognition and appreciation of Bud & Gloria’s commitment to Central Community College and the Foundation, along with their support to philanthropy and community service in Grand Island and the surrounding area.

Dr. LaVern Franzen
Hastings, Nebraska
Inducted 2013

In recognition and appreciation of LaVern’s commitment to Central Community College and the Foundation along with his support to philanthropy and community service in Hastings and the surrounding area.
Hall of Fame Inductee

The Central Community College “Hall of Fame” was established by the CCC Foundation to honor individuals or couples who have demonstrated exceptional support for Central Community College and its mission over the years.

Criteria for selection is focused in three areas those being philanthropy, service to Central Community College and/or Central Community College Foundation and community service. Selection must meet the minimum criteria guidelines but may be selected based on emphasis in one specific area.

Dr. LaVern Franzen was nominated and approved unanimously by the CCC Foundation Board of Directors to become the 14th member of the Central Community College Hall of Fame. The award to LaVern was announced at the 2013 Appreciation Luncheon in October on the Hastings Campus. LaVern was presented a beautiful mantle clock. The official plaque unveiling, which hangs outside the Administration Board Room in Grand Island, was held in November following the Board of Governors meeting at the Administration Offices. LaVern was presented with a smaller version of the plaque.

The Legacy Society...
An Investment in the Future

The Legacy Society allows the donor to leave a gift in the form of a bequest naming Central Community College Foundation as a beneficiary in his or her will. This can be done by a percentage of or a fixed amount of their estate. Other methods of donating to the Legacy Society include life insurance policies or other planned giving programs.

For more information as to how you can become a member of the Legacy Society, contact Dean Moors, Executive Director, at dmoors@cccneb.edu or 402-460-2153.

You Can Change Lives

Many people who support our mission say they derive great satisfaction from their generosity and they would like to do more. Here are some ways to support us that you might not have considered. Please feel free to call us to discuss them in greater detail. Also check out this information further on our web-site at cccneb.edu/foundation

Favorite Ways to Make a Gift

- **Cash**—Nothing could be easier than making a gift of cash. It is the most common gift and the one you probably think of first. In exchange for your gift, you receive an income tax charitable deduction for the full value of the gift up to 50% of your adjusted gross income (AGI).

- **Securities**—Stocks and publicly traded securities are easy to give and offer great tax advantages. You can:
  * Transfer the stock to us electronically through your broker, or
  * Send the stock certificate and a signed stock power for each certificate to us through the mail.

- **Bequests**—Have you made provisions in your will or revocable living trust to benefit us? Three popular options are to leave us a percentage of your estate after making provisions for family and friends; leave us a specified sum of money; or leave us a particular piece of property.

- **Life insurance**—Do you have life insurance policies that are no longer needed? For example, maybe you purchased policies for your young children who are now grown. To put them to use, consider donating the policies to us or simply naming us as beneficiary.

Gifts That Give Back to You

- **Charitable gift annuity**—This is a simple contract between you and us that pays you a fixed dollar amount for your lifetime and that of another individual, if desired, based on your ages at the time of your gift. The older you are at the start, the higher the payment. Plus, you are eligible for an immediate partial income tax deduction.

- **Charitable remainder trust (CRT)**—A CRT will pay you either a variable or fixed dollar amount – depending on whether you choose a unitrust or annuity trust, respectively – each year for the rest of your life from assets you place in a trust. After your lifetime, the balance in the trust goes to the charities of your choice, enabling countless others to reap future benefits from your generous gift. Plus, you are eligible for an immediate partial income tax deduction.

Other Tax-Smart Gift Ideas

- **Bank accounts and CDs**—Are you aware that you can name us as the “payable-on-death beneficiary” of your bank accounts (savings or checking) or on any certificates of deposit? Upon your death, the assets will pass directly to us without going through probate. Simply visit your bank and request to name a beneficiary on your accounts or CDs. You can change beneficiary designations any time you wish.

- **Retirement plan or IRA assets**—Because tax laws often subject retirement plan or IRA assets to the highest income tax when paid to your loved ones, leaving these assets to charity may be the most efficient estate planning option. We can receive all that’s left to us from a retirement plan or IRA. Leaving these same assets to your loved ones, however, can expose the assets to income taxes at their ordinary income tax rate.

- **Real estate**—A gift of real estate offers you the opportunity to make a significant gift with a tax-friendly outcome. You can donate real estate in several ways:
  * Give the appreciated property directly to us. This earns you an immediate tax deduction for its fair market value and eliminates the capital gains taxes when you’ve owned the real estate for more than one year.
  * Make a gift through your will or living trust. Made as part of your estate plan, a charitable bequest gives your estate an estate tax deduction and supports our good work long after you’re gone.
  * Donate your home but keep living in it. Through a “retained life estate,” you make a gift of your home while retaining the right to use and occupy the property during your life. You realize an immediate income tax deduction for a portion of your home’s value.

Please consult with other professionals such as your attorney for legal advice along with your accountant and/or financial advisors.
Donations of services, materials, and equipment have played an important role in support of Central Community College and its mission over the years. The following companies and individuals have made “in-kind” contributions during 2013-2014:

- Chief Industries – Grand Island
- David & Maggie Stubbs – Kearney
- Vishay Intertechnology Inc. – Columbus

- Emily Mach
- Steve Reiter
Scholarships Change Lives

It’s impossible to listen to the news on any given day and not hear compelling arguments in the media about post-secondary education. Rising educational costs and massive student loan debt are constant fodder for partisan political arguments and social commentary. But one simple truth in my mind always trumps the drama: Education changes lives.

To that end it is important to remember the positive things that give students the means to that end. And at the top of the list are scholarships. After 34 years in this industry, I cannot begin to articulate the meaningful difference scholarships have made in the lives of our students. They serve a dual purpose: (a) to help alleviate the financial burden and (b) to acknowledge a job well done. On a scholarship application the student gets the opportunity to do something that need-based aid cannot do…it celebrates their achievements.

Lisa Gdowski, Financial Aid Director at our Columbus Campus, writes; “I have seen students terrified of coming to campus because they have been out of school for so long, they may have low self-esteem, and just knowing someone recognizes their hard work and effort means so much to them. Not only do students appreciate the financial assistance scholarships provide, but they also appreciate the fact that someone believes in them.”

Hylee Asche, Financial Aid Director at our Grand Island Campus, writes; “I never underestimate the importance of the CCC scholarship process. It’s a lot of work, but I have no doubt as to how much students truly appreciate the value of these scholarships and how much it means to them as it helps them achieve their dreams. It’s a very rewarding part of my job!”

In our world we are privileged daily to see a wide variety of these lives that are changed: Timid 18 year olds who have no idea what stepping through our doors is going to mean; young single parents who desperately want to improve their lot and that of their children; men and women who are forced to change careers after years in the same job; others who have had their lives shattered by drug and alcohol abuse attempting to put their lives back together. I thank God every day that I get to be a part of their journey. Education changes lives. Scholarships change lives.

Dr. Dennis Tyson Scholarship Recipient

“Dear Dr. Dennis Tyson Scholarship Donor, Thank you for the award to start my college career at CCC in Columbus. I am planning to start school in the fall beginning my educational journey after high school with a focus on business.” Louise
A number of permanently endowed funds have been established for student and college support over the years. Monies in these endowed funds are invested with scholarships and support awarded from investment earnings only. The principal of the endowed funds remains intact to continue providing scholarships and support for future students and the programs at Central Community College.

The Foundation also coordinates a number of other scholarships that have not been permanently endowed. They are too numerous to list in the annual report. If you or someone you know would like to set up or receive information about either an endowed scholarship or another type of scholarship, please contact Dean Moors, Executive Director of the Central Community College Foundation.

The following is a list of the endowed scholarships that the Foundation oversees. For a broader synopsis of these scholarships, please visit the Foundation’s website, cccneb.edu/foundation.

June Yost Central Community College Endowed Nursing Scholarship—College-wide
Donor Honor Roll

Over the past 25 years, thousands of individuals and organizations have designated Central Community College and the CCC Foundation as recipients of their contributions. This support has come in a variety of ways—through grants, capital campaigns, memorials, scholarships, and other fund raising activities. Our Donor Honor Roll reflects gifts from patrons to the CCC Foundation.

Due to the rising costs of printing and to participate in CCC’s Sustainability Education and Economic Development (SEED) Pact, the Foundation has gleaned the Donor Honor Roll to include the following categories:

Board of Governor’s Club—Platinum, Gold, Silver or Bronze—President’s Society, and Foundation Builder’s Club include lifetime contributions within the designated monetary values and most recent contribution must have been between July 1, 2011 and June 30, 2014. Dean’s Club, Faculty Club, Century Club, and Campus Club include lifetime contributions and the most recent contribution must have been between July 1, 2013 and June 30, 2014.

*Legacy Donors are listed separately in this edition of the annual report.

**NOTE: Every effort is made to place each donor in the proper giving category. However, with a multitude of donor accounts, errors sometimes occur. If you feel your account is listed incorrectly, please contact the Foundation office.

Emily Uzendowski Scholarship Recipient

“Dear Founders of the Dr. Emily Uzendowski Scholarship, I would like to thank you for your support and aid on my nursing career. I plan to use this award for completing my courses to become a good and successful nurse. I will also use it for needed supplies. My family and I truly appreciate your help. Again, thank you for choosing me to receive this scholarship! God Bless!” Wendy

Vicki Harvey Scholarship Recipient

“Thank you so much for selecting me to be one of the one’s chosen to receive the Vicki Harvey Scholarship. I am very appreciative of the scholarship and will use the money to work to the best of my abilities in finishing up my nursing degree here at CCC. Again I offer a grateful thank you.” Nnenna

Small Business Institute

The Small Business Institute (SBI) was established in 1990 with a significant donation from Dale and Dolores Watley. Dale and his brother had operated a successful manufacturing business, Ag-Tronic, in Hastings. Upon the sale of their business to the Coleman Corporation, Dale and his wife decided they wanted to give a little something back to the community that had made their life such a success by supporting them as they started their business. Not only did Dale feel it was important to support upcoming businesses monetarily but also to provide support in other aspects of starting a business, such as business counseling and a business incubator. The SBI is an integral part of Central Community College Foundation (CCCF) and Central Community College (CCC).

The incubator sites are located on the Hastings Campus in the Kearney Building with the SBI office located in the Platte Building. The SBI has housed 14 start-up businesses and made loans to over 50 other businesses. It has been coordinated by two part-time professionals, James Svoboda from inception until May 2006 at which time Don Hulme has served in the position. It is under the general direction of a four-member Board of Directors.

The SBI provides numerous services throughout the 25-county area served by CCC. Specifically, it offers:

- Counseling services designed to address today’s business problems and opportunities—normally at no charge;
- A place (incubator facility) to start a new business at affordable rents; and
- Financial assistance to aid in starting a new business and/or continuing an existing business in the form of loans.

The SBI partners with a number of local, state, and federal development groups and organizations in providing services.

For further information regarding the CCCF SBI, please contact Don Hulme at hhulme@cccneb.edu or 402-461-2461.
Employees support Foundation with a 75% participation rate for the 2013 Employee Appeal!!!

Support from employees of Central Community College is instrumental in the success of the CCC Foundation. While the dollars contributed by the employees are important, even more significant is the loyalty, commitment, and dedication these donors represent.

The following list represents 370 part-time, full-time, and community education employees who have contributed to the CCC Foundation 2013 Employee Appeal, paid to participate in the 2013 Pro-Am Golf Tournament, the 2013 Appreciation Luncheon, donated their service awards, and/or participated in other fundraising opportunities sponsored by the Foundation.

Please accept our apologies for any inaccuracies or unintentional omissions.

The Central Community College Retiree Association is growing by leaps and bounds. There were 20 retirements last fiscal year. This brings the group to 222 retired CCC employees plus 22 spouses of deceased CCC employee retirees. We welcome these new retirees and their significant others to attend an event in one of the three locations where retiree events are held.

Social events are currently held in Hastings three times a year and Columbus and Grand Island twice a year with refreshments being served. At each of the events, retirees are given an update on Campus projects and activities by the Campus President, College updates by the College President, and Foundation events and accomplishments by the Executive Director. In conjunction to the aforementioned meetings, all retirees are invited to attend the CCC Foundation Appreciation Luncheon. This once a year event gives the retirees a chance to co-mingle with the retirees from other campuses and centers. There is no charge to retirees or spouses to attend the individual campus events. A $15 per person charge is collected for the Appreciation Luncheon. Those proceeds are used to support Central Community College scholarships and programs.

If you are a retiree or spouse of a retiree of CCC or one of its earlier affiliates and have not been receiving any information regarding these events, please contact me, Pat Stange, pstange@cccneb.edu or 402-460-2152.

EducationQuest Scholarship Recipient

“Dear CCC Foundation Scholarship Selection Committee, Thank you very much for selecting me to receive a $1,000 EducationQuest Foundation Scholarship for the 2014-2015 academic year. I truly appreciate your investment in my future and am proud to be selected as one of your scholarship recipients. My post-secondary plans include attending Central Community College Hastings Campus where I will work towards a degree in Criminal Justice. My career is to become a juvenile probation officer so that I can help troubled youth get back on the right path. This scholarship will help me make this dream a reality. Thank you for your kindness – I am honored to receive this award.” Juan

Merle & Dorothy Anderson Scholarship Recipient

“Thank you for selecting me to receive your scholarship (Merle & Dorothy Anderson Scholarship). I’m deeply honored to receive your monetary help. I will use your financial support to further my education here at Central Community College and beyond. Education has always been an important part of my life. You are directly helping me reach my dreams. Thank you for considering me worthy to receive your scholarship. Your scholarship will help ease the burden of student loans. College has been such a rewarding experience thus far, and with your help I will continue to learn and grow as a student. Because of your generous help I will be able to pursue my dreams of one day being a teacher without having enormous student debt. This is no small thing. I’m sincerely grateful for your financial support. Thank you once again.” Amanda
Yesterday, Today, and Tomorrow was the theme for the first of three Appreciation Luncheons to be held 2013 in Hastings, 2014 in Grand Island, and 2015 in Columbus. October 29th marked the date when the Hastings Campus and the Central Community College Foundation hosted the kickoff luncheon.

The purpose of the Appreciation Lunch continues to be thanking donors, providing opportunities to others present, updating constituents on campus changes and successes, listening to student testimonials, and having campus tours available. Several local businesses, organizations, individuals, along with CCC employees took time from their busy schedules to come to the campus to learn more about Central Community College.

Dr. LaVern Franzen, past President of CCC, was announced as the inductee into the Central Community College Foundation Hall of Fame during the event. (The unveiling of the Hall of Fame plaque honoring Dr. Franzen was held in November at the Administration Offices in Grand Island.) Bill Hitesman, president of the Hastings Campus, welcomed everyone to the campus and shared with them many of the updates and changes that had or were going to be taking place within the next year. RayLynn Brown, Business Technology major and scholarship recipient, addressed the group sharing her story of how scholarships have made a difference in her life. Harold Hamel, English Instructor on the Hastings Campus, shared with the group why he was a supporter of the Foundation. A wonderful meal was prepared by the Hospitality Management and Culinary Arts students in conjunction with several of their instructors. Tours were available after the event.
The Riverside Golf Course and Country Club in Grand Island was the site for the 23rd Annual CCC Foundation Pro/Am Golf Tournament on September 16, 2013. There were 29 teams of golfers and pros. The event was sponsored at various levels by businesses, organizations, and individuals:

The Low Net was won by the Cetak Team. Team members were: Kory Cetak, Dennis Cetak, Rod Schmidt, Rod Hassebrook. Pro playing with their team was Zach Byrd of Murrells Inlet, SC.

Low Gross was won by the Essex Team. Team members were: Larry Zabloudil, John Pershing, Dan Coffey, Jim Perdew, and Chip Essex (Team Captain). Pro playing with their team was Matt Shaner of Kearney. The winning Pro was Zach Byrd, a traveling Pro of Murrells Inlet, SC, who shot a 66.
Melissa Pedroza, Ross Pesek, and Angela Ramirez were the three former graduates of Central Community College honored as this year’s outstanding alumni. The three were honored at the commencement ceremonies for each campus.

Ross Pesek of Omaha graduated from Columbus Campus in 2005 with an Associate of Arts degree. He played basketball and was named to both the All-Conference and All-American teams and was selected as an Academic All-American while at CCC. He went on to Wayne State College and graduated with a Bachelor’s degree in 2007 and then a law degree from the University of Nebraska in 2010.

Ross is an attorney at the Omaha law firm of Dornan, Lustgarten and Troia. He was recently named the Outstanding Young Lawyer of 2013 by the Nebraska State Bar Association and received the Early Achiever Award from the Nebraska College of Law Alumni Association.

Pesek has dedicated himself to serving immigrants in Nebraska by founding a free legal clinic designed to increase access to legal services for Spanish speakers. In three years, he has provided free legal consultations to over 800 individuals.

He has founded the “True Potential Scholarship”, which provided five full-tuition scholarships to young immigrants to attend local community colleges. The program fills a specific need since these individuals are not eligible to receive any public funds based on their specific immigration status.

Pesek’s wife, Karen, also attended Central Community College in Columbus.

Melissa Pedroza of Hastings graduated in 2006 from the Hastings Campus with an Associate of Applied Science degree. She went on to earn a Bachelor’s degree in human services from Bellevue University. She is currently working toward a Master’s degree in counseling from Doane College. She is the first person in her family to graduate from high school and attend college overcoming many obstacles and poverty.

Pedroza is very active in the Hastings community and serves in various capacities with agencies such as Catholic Social Services, Hastings Family Planning, and Hastings YMCA. She is also active in her four children’s schools and athletic events.

Angela Ramirez of Hastings graduated in 2006 from the Grand Island Campus earning an Associate of Science degree. She has also earned a Radiologic Technology Certificate from Mary Lanning School of Radiologic Technology in Hastings in 2008 and a Bachelor’s degree in medical diagnostic imaging from Fort Hays State University in 2010.

Ramirez is currently employed at Mary Lanning Healthcare where she is an ultrasound technologist. She is also responsible for obtaining an accurate patient history and relaying pertinent information to the radiologist.

She is the first in her family to obtain a degree beyond high school. She is married and has a one year old son.

Dr. Lynn & Joan Black Scholarship Recipient

“Thank you for selecting me as a scholarship recipient (Dr. Lynn & Joan Black Scholarship). The money that you are providing me with will help a great deal in providing my funds for tuition and my textbooks. Thank you.” Morgan
The following graph is a reflection of scholarship funds generated through donations made directly to the CCC Foundation and from earnings on endowed scholarship accounts. Over the past 25 years, the Foundation has distributed $1,845,488 in scholarships to students at all CCC locations.

Dr. La Vern Franzen Scholarship Recipient

“Dear Members of the CCC Foundation, Thank you for selecting me as the recipient of the LaVern Franzen Scholarship. I truly appreciate you helping me to attain my educational goals.” Mia

**Wendell and Francis Starr Scholarship Recipient**

"Dear Wendell and Francis Starr Scholarship Donors, I am writing to express my sincere gratitude to you for making the Wendell and Francis Starr Scholarship possible. I was thrilled to learn of my selection for this honor and I am deeply appreciative of your support. I am currently attending Central Community College in pursuit of an Associates of Science Degree. I then plan to transfer to the University of Nebraska at Lincoln to attain my Bachelor’s Degree in Agricultural Education with hopes of becoming a high school teacher. The financial assistance you provided will be of great help to me in paying my educational expenses and it will allow me to concentrate more of my time for studying. Thank you again for your generosity and support!! I promise you I will work very hard and eventually give something back to others, both as a teacher and possibly a scholarship to future students like myself.” Carrie"

**Employee Donations Scholarship Recipient**

“Employee Donations Scholarship (Donors), Thank you so much for selecting me as the recipient of your scholarship. As a returning student this fall I have enjoyed this school year and am excited to continue with my education here at Central. With a foundation like yours it means so much to students like myself to know we have people supporting and rooting for us. Your generosity is greatly appreciated! Thank you again!” Shayla

Industrial Technology Scholarship Recipient

“It’s an honor to have been selected to receive an Industrial Technology Scholarship. By receiving this scholarship, it will help me continue my college education to pursue a career in welding technology. I will continue to do my best in every class. I am studying to achieve an Associate of Applied Science Degree in welding Technology. With your support, I am one step closer into fulfilling my dream to become the first college graduate in my family. Once again, thank you for selecting me to receive this Industrial Technology scholarship. I highly appreciate your support, for with it, I shall continue to strive for success.” Simon

Employee Donations Scholarship Recipient

“I am writing to sincerely thank you from the bottom of my heart for awarding me your scholarship (Employee Donations Scholarship). I am a nontraditional student going back to school for an RN degree after 20 years of being out of school. I am also a single mom of 3 boys so finances have been tight, to say the least!! I appreciate your willingness to help out students in need!! Thank you again! It is much appreciated!” Robin
