

2022-23 Parent Information Page

This information is required even if you do not live with your legal parents (biological, adoptive, or as determined by the state [for example, if the parent is listed on the birth certificate]). Grandparents, foster parents, legal guardians, widowed stepparents, aunts, uncles, and siblings are not considered parents on this form unless they have legally adopted you.

- If your parent never married and does not live with your other legal parent, or if your parent is widowed and not remarried, answer the questions about that parent.
- If your legal parents are not married to each other and ***live together**, select “Unmarried and both legal parents living together” and provide information about both of them regardless of their gender. Do not include any person who is not married to your parent and who is not a legal or biological parent. Contact 1-800-433-3243 for assistance, or visit ***StudentAid.gov/fafsa-parent.**)
- If your legal parents are married, select “Married or remarried.”
- If your legal parents are divorced but living together, select “Unmarried and both legal parents living together.”
- If your legal parents are separated but living together, select “Married or remarried,” not “Divorced or separated.”
- If your parents are divorced or separated, answer the questions about the parent you lived with more during the past 12 months. (If you did not live with one parent more than the other, give answers about the parent who provided more financial support during the past 12 months or during the most recent year that you actually received support from a parent.) ***If this parent is remarried as of the date you submitted your FAFSA, answer the questions about that parent and your stepparent.**
- If your widowed parent is remarried as of today, answer the questions about that parent and your stepparent.
