

2025-26 Dependent Verification Form

Student Name _____ CCC ID # _____

Your Free Application for Federal Student Aid (FAFSA) was selected for a process called “Verification.” CCC is required by federal regulation to collect documentation to verify that your FAFSA information is accurate before awarding Federal aid. If there are differences between your FAFSA and your financial documents, the Financial Aid Office will make corrections to your FAFSA.

List the people in the parents’ family size. Include:

- The student.
- The student’s parents, even if the student is not living with them. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
- The student’s siblings if the following are true:
 - They live with the student’s parents (or live apart because of college enrollment);
 - They receive more than half of their support from the student’s parents; and
 - They will continue to receive more than half their support from the student’s parents during the 2025-26 award year.
- Other persons if the following are true:
 - They live with the student’s parents;
 - They receive more than half of their support from the student’s parents; and
 - They will continue to receive more than half their support from the student’s parents during the 2025-26 award year.
- If more space is needed, provide a separate page with the student’s name and ID number at the top.

The provided criteria for “dependent children” or “other persons” mirror the requirement that family size align with those the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2025-2026 FAFSA. As a result, the parent should not include any unborn children in the family size. If more space is needed, provide a separate page with the student’s name and ID number at the top.
