

# 2025-26 Independent Verification Form

Student Name \_\_\_\_\_ CCC ID # \_\_\_\_\_

Your Free Application for Federal Student Aid (FAFSA) was selected for a process called "Verification." CCC is required by federal regulation to collect documentation to verify that your FAFSA information is accurate before awarding Federal aid. If there are differences between your FAFSA and your financial documents, the Financial Aid Office will make corrections to your FAFSA.

List the people in your family size. Include:

- The student.
- The student's spouse, if applicable.
- The student's dependent children if the following are true:
  - They live with the student (or live apart because of college enrollment);
  - They receive more than half of their support from the student; and
  - They will continue to receive more than half their support from the student during the 2025-2026 award year.
- Other persons if the following are true:
  - They live with the student;
  - They receive more than half of their support from the student; and
  - They will continue to receive more than half their support from the student during the award year.
- If more space is needed, provide a separate page with the student's name and ID number at the top.

The provided criteria for "dependent children" or "other persons" mirror the requirement that family size align with those the student could claim as a dependent on a U.S. tax return if the student were to file a U.S tax return at the time of completing the 2025-2026 FAFSA. As a result, the student should not include any unborn children in the family size.
