

Articulation Agreement

Central Community College Nebraska

**Associate of Science in Health Information Technology
& Bachelor of Science in Health Care Business with
a major in Health Information Administration**

Effective Fall 2013

Clarkson College accepts transfer credit from Central Community College. The articulation agreement shows how courses completed at Central Community College will be transferred to Clarkson College. It is important for students transferring credit to Clarkson College to submit a final official transcript after completing all course work from other institutions. Students must receive a grade of “C-” or higher to be considered for transfer credit. Clarkson College does not accept transfer credit for courses taken after enrollment at Clarkson College.

All courses are also offered at Clarkson College and are not necessary for admission.
