

FORM: OTA Observation – COVID

NAME:

Student ID:

Central Community College
Occupational Therapy Assistant Observation
Form

Applicant's Printed Name _____

If unable to observe an occupational therapist or certified occupational therapy assistant for 10 hours in two different practice settings, you may complete the following for this admission requirement. You must choose two of the three options provided.

1. Research 3 videos on internet, Youtube, etc., on occupational therapy and write a paragraph on what was learned from each.
2. Interview an occupational therapist or certified occupational therapy assistant. The following are suggested ideas on questions. Summarize the interview and what was learned.
 - a. What do you like most about your job?
 - b. What drew you to the profession of occupational therapy?
 - c. What is a typical day for you?
 - d. What do you wish you would have known prior going into occupational therapy?
 - e. What advice would you have for me?
 - f. What practice setting are you in?
3. Read 3 articles about occupational therapy and write a minimum of a paragraph summary of what was learned and helpful to you in learning about the profession.

Please submit this completed form, as well as a separate page with the results from your two selections above to:
